

# LILA ATHLETICS 2009/2010

For each sport season, the information regarding try out, practices and season organization will be given to the parents (via email) and the students (in class). Athletes will have to attend a try out. A team will be selected in order to represent LILA school. Practices will be held at school, from 4.00 PM to 5.00 PM. We will mostly play away games.
